**Class will be filled by a first-come first-served basis.**

**Adult Sailing Lessons: Tuesdays 5p - 7p June 18 to Aug 28 (no class July 24) 10 sessions Cost: \$400**

Learn to sail on a classic J24 sailboat, as well as a J80 sport boat. This class is for the sailor with little to no experience and will cover the basics of sailing. You'll rotate positions on the boat under the direction of an experienced instructor.

### **Details and What to Expect:**

The winds tend to die in the evening - so starting at 5:30pm is important. In case of bad weather the class will still meet - and review off the water essentials like knot tying, navigation and more. Class may not always end promptly at 7:30pm as this is based on weather conditions.

You will need your own PFD, sailing gloves also recommended along with tennis shoes or boat shoes (no bare feet)
